

Byng Arts Band 2022 Audition
Information for students preparing for Band Auditions Online

Audition interview:

Students who have been selected from the submitted pre-audition videos will be contacted about their online audition time when they will meet with me, Dr. Scott MacLennan, on Microsoft Teams.

Sightreading:

In preparation for the interview, students should warm up on their instrument and be prepared to sightread a piece of music that will be shared/displayed during the Teams audition.

Be sure to use a device for Teams that can display the music large enough so that it can be easily read.

Please have the music you performed for your pre-audition video available if requested to play it again. You may not need to play it again but have it ready if need be.

General Questions:

It is encouraged that candidates ask questions they may have regarding the program at this time.

*****The entire audition/interview will be a maximum of 15 minutes*****

Thank you for your interest in the band program! I look forward to meeting on Teams! Should you have any questions regarding the program and/or auditions, please contact our Fine Arts Co-ordinator Mr. Hartley-Folz at byngarts@vsb.bc.ca.

Best wishes,
Dr. Scott MacLennan
Director of Bands, Lord Byng Secondary School
