

# Byng Arts Drama

## Pre-Audition Application Process

Thank you for your interest in the Byng Arts Drama Program. Here is what you need to do as part of your application:

### **PRE- AUDITION VIDEO TAPE**

#### **Talk to us.....**

We are asking applicants to send in a video of themselves. It should be 2 minutes or under in its entirety. In this video we would like you to answer /discuss the following prompts:

1. What is it about you that makes you a wonderful fit for the Byng Arts Drama Program? (You can take this opportunity to describe your passion for drama or what draws you to a program like this).
2. Please tell us about your participation or contributions to a community experience; perhaps a group you are a part of or an activity that requires **teamwork**.

The purpose of this pre audition video is to get a sense of YOU and your desire to be a part of this program. Please do not add any special effects, props or costumes. We want to focus on the *real you* for this portion of the process. It is best to be casual and sincere- no bells or whistles are necessary.

Please be sure we can see your face clearly, shooting from the shoulders up will help with this. Make sure the sound is clear.

Once done, upload your video to a third-party site like YouTube or Vimeo and attach the link to the video in the appropriate section of the online application form.

Remember to set the permission to your video as UNLISTED and not Public or Private (see the following [link](#) for clarification).

We can't wait to meet you on video.
